

# Camps and courses currently open for applications

(Listed in order of application deadline)

Courses and camps to look out for  
List 1 – General Camps

# Annual Camp

**Eligibility:** Completed 1<sup>st</sup> Class classification

**Dates:** One week at Easter/Summer

**Cost:** £60 (estimate)

**What is it:** Recommended for all cadets to attend at least once. A week on an RAF station. Activities are likely to include flying, section visits, sports, drill

**Application deadline:** Look out for information early in the year

**Application requirements:**

1. Completed 1<sup>st</sup> Class classification

# Corps Super-Camp – Wretham Camp, Norfolk

**Eligibility:** Open to all cadets

**Dates:** 1 week in late July/early August

**Cost:** £50 (estimate, based on cost from last year)

**What is it:** A large camp, with cadets from across the country. The week will include activities at RAF Marham, RAF Lakenheath and RAF Honington, fieldcraft exercises and other local visits.

**Application deadline:** Unlikely to take place in 2019

**Application requirements:** NIL

# Region Multi-Activity Camp – Beckenham Camp, Lincs

**Eligibility:** Likely to be open to most cadets

**Dates:** 1 week in July/Aug

**Cost:** £70 (£15 for CWOs)

**What is it:** “The camp programme will revolve around a celebration of the RAF Centenary, with attendees going on a journey through the past (heritage/museum activity), present (section visits and (hopefully!) opportunity flights) and the future (engagement with RAF Careers staff). Specific activities are planned to include visits to frontline RAF units, flying, aviation heritage visits, water sports, (canoeing, kayaking, SUP and raft building), mountain biking, orienteering, clay target shooting, sports, archery, arms drill and foot drill.”

**Application deadline:** Unlikely to take place in 2019

**Application requirements:** NIL

# Wing Greens & AT Camp – Wretham Camp, Norfolk

**Eligibility:** Age 13 or over, completed Basic Swimming Proficiency

**Dates:** August

**Cost:** £75

**What is it:** A week of “Greens” and AT activities, likely to include walking and navigation training, visit to the National Water Sports Centre, shooting (clay target and air rifle), fieldcraft training, leadership training, archery

2. Timed 1.5 mile run

# Gold Award Cyber Course – RAF Cosford, Shropshire

**Eligibility:** Age 16 or over, completed Silver Cyber award

**Dates:** 27 Jul – 02 Aug  
03 – 09 Aug  
10 – 16 Aug

**Cost:** Messing costs only (£15)

**What is it:** Highly recommended. Aimed at a wide range of cadets – not just those who study computing. A week-long course, which is part of the training undertaken by RAF Cyber Specialist trainees. The course covers topics including cyber law, malware, wireless security, networking and networked infrastructure. A good number of lab-based practical activities.

**Application deadline:** 16 May

**Application requirements:**

1. Complete application form

# Drill & Ceremonial Camp – Beckenham Camp, Lincs

**Eligibility:** Age 14 or over, high standard of drill and uniform, physically fit

**Dates:** August

**Cost:** £35 (estimate from last year)

**What is it:** “The primary purpose of this camp is to teach cadets Arms Drill, and then deliver a large-scale final parade and continuity drill sequence, accompanied by a band. The parade will be held at RAF Waddington in front of a number of VIPs...

Cadets will also experience other non-drill related activities, as there is a limit to the amount of drill that can be undertaken each day. These activities include archery, clay-shooting, climbing wall, and target paintballing – other activities are also planned to take place.”

**Application deadline:** Look out for info in Spring

**Application requirements:**

1. NIL, but note that if allocated a place, you will need to complete a Weapons Handling Test on the L98A2 rifle before the start of the camp

# RAF STEM Course

**Eligibility:** Age 14 or 15

**Dates:** One week, various dates throughout the year

**Cost:** Not confirmed – it might be free?

**What is it:** A week of practical STEM (science, technology, engineering, maths) activities run by the RAF. The week is based around a (fictional) scenario where you will be working to provide humanitarian aid to a foreign country

**Application deadline:**

**Application requirements:**

1. Application form: see website of relevant RAF station

# Junior Leaders

**Eligibility:** Age 17 or over, physically very fit, WHT on L98

**Dates:** Selection weekend in September, followed by 9 training weekends over the autumn and winter, and a 10-day exercise (Test Phase) at Easter

**Cost:** £175 + £75 refundable deposit for kit

**What is it:** **Phase 1 Training.** This includes the necessary core skills required to be applied during later elements of the course. They include transactional and transformational leadership, public speaking and presentation skills, social skills, group dynamics and syndicate work, Institute of Leadership and Management (ILM) Level 3 project work, physical training and endurance, weapon training, advanced navigation and preparation and delivery of orders groups.

**Phase 2 Training.** On successful completion of Phase 1 Training, Phase 2 Training works on application and practical training. This includes field leadership skills, section commander skills including planning, delivery and execution, practical leadership and management, mission command and physical endurance.

**Test Phase.** On successful completion of Phase 1 and 2 Training, candidates will be invited to Test Phase which is designed to thoroughly test all aspects taught.
